Please select Pharmacy Options

Advertisement

Here you search for a participating pharmacy that meets your particular needs. Simply select from any or all of the options below. The next page will show a list of pharmacies that match your requested options. The pharmacy you then choose will receive your prescription information electronically, making it easier for you to get the medicine your doctor may determine you need.

To select a particular item, touch the down arrow on the right and select your choice from the displayed list.

Then touch the CONTINUE button on the screen.

If you make a mistake and wish to clear your selections, touch RESET.
